# Nationalities Service Center

Dear Friends,

We are thrilled to announce that on April 27, Nationalities Service Center (NSC) will host Global Tastes 2023, a benefit party whose proceeds will support services for immigrants and refugees in the greater Philadelphia area. Join us for a night of delicious food, connection, and festivities to celebrate the immigrant community and NSC’s legacy of providing critical services since 1922. The party will be in-person at Quorum at the University City Science Center in Philadelphia.

Global Tastes will feature culinary small bites from around the globe—brought to us courtesy of Philadelphia’s growing international restaurant scene strengthened by contributions from immigrant chefs. You’ll discover new flavors and restaurants, watch cultural dances, and mingle with fellow supporters, as you explore the melting pot of Philadelphia.

We are delighted to honor Thi Phan, Esq., Senior Advisor and Executive Consultant at Cigna, for her contributions to the health services field and advocating for culturally appropriate services for immigrants and refugees. We will also honor Robert F. Smith, Regional Vice President of Community Impact at Comcast, a champion for digital literacy and inclusion.

Since opening its doors, NSC has welcomed and empowered immigrants to thrive in the Philadelphia region by providing a variety of vital services. We offer immigration legal services, refugee resettlement, English language classes, employment readiness, health access, and holistic treatment for trauma. Over the past few years, NSC has risen to meet extraordinary challenges — welcoming Afghan evacuees, supporting those who have fled Ukraine, and providing services to asylum seekers arriving in Philadelphia from the southern border.

By sponsoring Global Tastes 2023 your company allows us to continue empowering immigrants to build self-sustaining, dignified futures for themselves and their families. Please see our sponsorship benefits, enclosed. Thank you for your support of immigrants, NSC, and Global Tastes 2023. With your support we will continue to stand with immigrants for the century ahead. We look forward to celebrating with you on April 27, 2023!

Sincerely,

Margaret M. O'Sullivan

# GLOBAL TASTES 2023 HONOREES

**DanThu Thi Phan, Esq.**  
Senior Advisor and Executive  
Consultant at Cigna

DanThu Thi Phan, Esq., is this year's Nationalities Service Award honoree. This award is presented each year to an immigrant who exemplifies the American dream, or to a strong immigrant advocate. Thi Phan happens to be both. A refugee who fled Vietnam at an early age – and learned to walk by holding on to the cots in a refugee camp in Guam – Thi was resettled with her family in Minnesota. Over time, her parents – already trained in medicine and law – restarted their careers in the United States, and Thi herself followed a similar path – pursuing the American dream through education. She trained at Columbia Law School, rose up the legal and corporate ranks to become chief counsel and SVP, and later an advisor at Cigna, a global health services company. There, she is an active leader in efforts to ensure that immigrant customers have access to interpreters, and is an advocate for a global, culturally-sensitive mindset.

Thi also has served as a mentor and board member of the National Association of Asian American Professionals which works to empower Asians and Pacific Islanders to become great leaders. For her remarkable story and her efforts to accommodate and mentor immigrants at Cigna and within the Philadelphia community, we are proud to honor her at Global Tastes!

**Robert F. Smith**  
Vice President, Community Impact  
Freedom Region at Comcast

Bob Smith is this year's Margaret Harris Service Award honoree. The award is named for one of NSC's longest-serving volunteers and supporters. In honor of her service to our organization, we present the award to a person or organization who has gone above and beyond to help NSC serve our clients through significant technical expertise, resources, and other impactful supports.

Bob Smith currently directs the Fortune 50 Company's strategic community initiatives in their hometown of Philadelphia and throughout Greater Philadelphia Region and New Jersey. In his 28 years with Comcast, Bob has also served in leadership roles in Government Affairs and Corporate Communications.

An advocate for digital literacy and inclusion, Bob is a leader in Comcast's efforts to advance digital equity in Greater Philadelphia and has been recognized for his work by the Company and non-profit partners. Today, every individual and family that is resettled by NSC receives a laptop, supplied by Comcast, thanks to Bob's leadership in Comcast's digital inclusion efforts.

We are so proud to honor Bob Smith with an award for his outstanding efforts to advance digital equity in the immigrant community of Greater Philadelphia.
