REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

**The Board of Trustees
Nationalities Service Center of Philadelphia, Inc.
Philadelphia, Pennsylvania**

Opinion

We have audited the accompanying financial statements of The Nationalities Service Center of Philadelphia, Inc., (the “Center”), which comprise the statements of financial position as of May 31, 2024 and 2023, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Center as of May 31, 2024 and 2023, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**The Board of Trustees
Nationalities Service Center of Philadelphia, Inc.
Philadelphia, Pennsylvania**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated February 27, 2025 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with the *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NATIONALITIES SERVICE CENTER OF PHILADELPHIA, INC.

NOTES TO FINANCIAL STATEMENTS

May 31, 2024 And 2023

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nationalities Service Center of Philadelphia, Inc. (the “Center”) is a non-profit corporation organized to assist immigrants and refugees assimilate to the American culture. To achieve these goals, the organization provides counseling, education, legal and community services.

BASIS OF ACCOUNTING

The Center’s accounting policies conform to generally accepted accounting principles, using the accrual basis of accounting.

BASIS OF PRESENTATION

In accordance with generally accepted accounting principles, the Center is required to report information regarding its financial position and activities according to two classes of net assets:

Without Donor Restrictions

Net assets that are not subject to donor-imposed stipulations.

With Donor Restrictions

Net assets subject to donor-imposed stipulations that will be met either by actions of the Center and/or the passage of time.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

Cash and other highly liquid investments with an original maturity date of three months or less are considered to be cash equivalents. The Center’s cash and cash equivalents include money market accounts and other short-term investments in which fair market value at May 31, 2024 and 2023 was \$796,331 and \$142,965, respectively.

CONCENTRATION OF CREDIT RISK

The Center maintains cash balances in major financial institutions in excess of the federally insured limit by the Federal Deposit Insurance Corporation (FDIC). Historically, the Center has not experienced any losses and management believes it is not exposed to any significant credit risk.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The Center’s financial instruments consist primarily of cash and money market deposits, investments, accounts and grants receivable and accounts payable. These balances, as presented in the financial statements as of May 31, 2024 and 2023, approximate their fair market value because of their short maturities.

NATIONALITIES SERVICE CENTER OF PHILADELPHIA, INC.

NOTES TO FINANCIAL STATEMENTS

May 31, 2024 And 2023

REVENUE RECOGNITION

The Center recognizes contributions when cash, securities or other assets, and unconditional promise to give, or a notification of a beneficial interest is received. Conditional contributions include donor-imposed conditions with one or more barriers that must be overcome before the Center is entitled to the assets transferred or promised and there is a right of return to the contributor for assets transferred or a right of release of the promisor from its obligation to transfer assets. The Center recognizes the contribution when the conditions are substantially met or explicitly waived. Unconditional contributions are classified as without donor restrictions unless there are donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are then classified to net assets without donor restrictions and reported in the statement of activities as “*net assets released from restrictions.*”

A portion of the Center’s revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Center has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances/deferred revenue in the statement of financial position.

The Center recognizes revenue from interpretation and translation fees, legal fees, and educational fees when the respective service has been performed.

ACCOUNTS RECEIVABLE

Accounts receivable are reported at their outstanding balances less any allowance for doubtful accounts. The allowance is based upon a review of the individual accounts outstanding and the organization’s prior history of uncollectible receivables. At May 31, 2024 and 2023, the organization recorded an allowance for doubtful accounts of \$189,677 and \$79,516 for past-due receivables.

PROPERTY AND EQUIPMENT

The Center follows the practice of capitalizing, at cost or market value where the original cost is not known, as expenditures for fixed assets in excess of \$1,000. Depreciation is computed on a straight-line basis over the useful lives of the assets generally as follows:

Building and Improvements	27.5 years
Furniture and Equipment	3 – 10 years
Leasehold Improvements	20 years

IN-KIND GOODS AND SERVICES

In-kind goods and services are recognized as contributions in accordance with Accounting Standards Codification (ASC) No. 958, “Not-for-Profit Entities”, if the services (a) create or enhance non financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Center. Contributions of in-kind goods and services are recorded at their fair values in the period received. Unless otherwise noted, in-kind goods and services did not have donor-imposed restrictions.

NATIONALITIES SERVICE CENTER OF PHILADELPHIA, INC.

NOTES TO FINANCIAL STATEMENTS – (Continued)

May 31, 2024 And 2023

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the Schedule of Functional Expenses. Accordingly, certain costs have been allocated amount the programs and supporting services benefited, primarily based upon the relative time spent by the Center’s employees on each function.

LEASES

Operating leases are included in operating lease right-of-use (“ROU”) assets and ROU lease liabilities in the statement of financial position. The Center determines whether an agreement is or contains a lease at inception of the lease.

ROU assets represent the Center’s right to use an underlying asset for the lease term and lease liabilities represent the obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As the Center’s leases do not provide an implicit interest rate, the incremental borrowing rate based on the information available at commencement date is used in determining the present value of lease payments. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

INCOME TAX STATUS

The Center is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. It has been classified as an organization that is not a private foundation under Section 509(a)(2) of the Internal Revenue Code and qualifies for the maximum charitable contributions deduction for individual donors.

The Center accounts for uncertainties in income taxes in accordance with authoritative guidance, which prescribes a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold has been met. Management has reviewed the tax position for each of the open fiscal tax years (2021 - 2023) or expected to be taken in the Center’s fiscal 2024 tax return and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

NOTES TO FINANCIAL STATEMENTS – (Continued)

(3) FAIR VALUE OF FINANCIAL INSTRUMENTS

The Center utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Center has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Center’s own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The summary of inputs used to value the Center’s assets that are carried at fair value as of May 31, 2024 and 2023 is as follows:

	2024			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

(6) LINE OF CREDIT AND NOTE PAYABLE

The Center has a \$500,000, revolving line of credit which is payable on demand at the bank's discretion. Interest on the line of credit is variable at the Prime rate plus .75% (9.25% at May 31, 2024). As of May 31, 2024 and 2023, there were no outstanding borrowings on the line of credit.

On July 3, 2023, The Center entered into a loan agreement with the Samuel S. Fels Foundation in the amount of \$150,000. Proceeds from the loan are intended to be used for short-term cash flow assistance for programs. Interest on the loan is at the rate of 1.2% per year. Outstanding principal and accrued interest on the loan were repaid in November 2024. There were no notes payable for the year ended May 31, 2023.

(7) NET ASSETS

Net assets with donor restrictions at May 31, 2024 and 2023 are available for the following purposes:

	<u>\$ 796,195</u>	<u>\$ 832,465</u>

(8) PENSION PLAN

The Center has a non-contributory defined benefit pension plan for eligible employees. The plan complies with the Employees Retirement Income Security Act of 1974. Contributions are actuarially determined in accordance with ERISA.

Effective July 1, 2011, the Center has frozen this plan so that it is no longer open to new participants and no current participant will accrue any additional time in the calculation of future benefits.

The Center adopted the recognition provisions of Accounting Standards Codification (ASC) Topic No. 715 which requires that the funded status of defined benefit pensions, as measured as the difference between the fair value of the plan assets and the projected benefit obligation, is recognized in the Statement of Financial Position.

The Plan's assets are held by a trustee, Mutual of America, and are not included in the statement of financial position of the Center.

The following sets forth information regarding the plan as of and for the years ended May 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>

Discount rate	4.85%	3.82%
Expected long-term return on net assets	7.25%	7.25%
Rate of compensation increase	0.00%	0.00%

The expected long-term rate of return on net assets assumption of 7.25% was selected using the “building-block” approach described by the Actuarial Standards Board in Actuarial Standards of Practice No. 27.

The following item has not been recognized as a component of net periodic pension cost:

	<u>2024</u>	<u>2023</u>
Net actuarial gain (loss)	<u>\$192,608</u>	<u>\$24,779</u>

For its defined benefit pension plan investments, the Center employs a long-term risk-controlled approach using diversified investment options with minimal exposure to volatile investment options like derivatives. The Center uses a diversified allocation of equity, debt, and general account exposures that are customized to the plan’s cash flow needs. At May 31, invested plan assets are as follows:

	<u>2024</u>		<u>2023</u>

May 31, 2024 And 2023

The Center contributed \$980 to the defined benefit pension plan during the year ended May 31, 2024. The Center did not contribute to the plan during the year ended May 31, 2023. The following benefit payments are expected to be paid from the assets of the pension plan in following fiscal years as follows:

<u>Fiscal</u> <u>Year-End</u>	
2025	\$ 694,000
2026	\$ 27,000
2027	\$ 61,000
2028	\$ 84,000
2029	\$ 41,000
2030-2034	\$ 219,000
Estimated employer contributions for fiscal year 2025:	<u>\$ 26,288</u>

The Center also has a defined contribution 403(b) plan covering all full-time personnel. For the years ended May 31, 2024 and 2023, the Center matched employee contributions up to 6% and 5%, respectively. Total contributions to the plan for the years ended May 31, 2024 and 2023 amounted to \$88,557 and \$78,293, respectively.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability, otherwise known as the “exit price”, in an orderly transaction between market participants at the measurement date. The Center uses the three-tier fair value hierarchy as a basis for its assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Center has the ability to access.
- Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment schedules, credit risk, yield curves, default rates and similar data.
- Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Center’s own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Education services	\$ 13,622	\$ 92,081
Legal services	65,310	69,686
Health and wellness services	563,899	819,797
Donated goods	<u>238,119</u>	<u>174,538</u>
Total donations in-kind	<u>\$ 880,950</u>	<u>\$1,156,102</u>

(11) CONCENTRATION OF REVENUE SOURCES

For the years ended May 31, 2024 and 2023, the Center received approximately 65% and 70%, respectively, of its total revenue from one funding source (the Federal Government), (directly and indirectly, through other organizations) for a range of refugee support and resettlement services.

(12) CONTINGENCIES

CONTRACTUAL ADJUSTMENTS

The contracts and grants under which the Center conducts its programs contain provisions defining costs which are allowable and reimbursable within the program. Program billings are subject to audit by various governmental funding sources. Audits of these billings may result in adjustments for disallowances. The Center has not experienced significant adjustments in the past.

Financial assets available to meet general expenditures within one year	<u>\$ 3,493,983</u>	<u>\$ 2,124,940</u>

The Center strives to maintain liquid financial assets to be available as its general expenditures, liabilities and other obligations become due. Financial assets in excess of daily cash requirements are invested in money market funds and other short-term investments. In addition, the Center maintains a \$500,000 line of credit which can be drawn on as needed during the year to manage cash flows.

(14) SUBSEQUENT EVENTS

On October 14, 2024, the Board of Trustees of the Center adopted a resolution to terminate the defined benefit pension plan, effective December 31, 2024. The Center has commenced procedures to terminate the plan, including amending the defined benefit pension plan for termination and requesting actuarial calculations for issuing payments for pension liabilities.

In preparing these financial statements, management of the Center has evaluated events and transactions for potential recognition or disclosure through February 27, 2025, the date of the financial statements were available to be issued.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year Ended May 31, 2024

(1) GENERAL INFORMATION

The accompanying schedule of expenditures of federal and local awards presents the activities in all federal awards programs of the Center. All financial awards received directly from federal agencies as well as federal financial awards passed through other governmental agencies are included on the schedule.

(2) BASIS OF ACCOUNTING

The accompanying Schedule of Federal Awards is presented using the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *“Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.”* The amounts reported in this schedule as expenditures may differ from certain financial reports submitted on either a cash or modified accrual basis of accounting.

(3) REVENUE RECOGNITION

All programs have recognized revenue only to the extent of their contractual funding limitations. Expenditures exceeding grant or contract budget limitations are funded from other sources. Those expenditures, if any, are not included in these schedules.

(4) INDIRECT COST RATE

The Center has a negotiated indirect cost rate; as such, the Center did not elect to use the 10% de minimis indirect cost rate.

(5) RECONCILIATION TO THE FINANCIAL STATEMENTS

Grants and contracts without donor restrictions	\$11,041,863
Other private grants without donor restrictions	<u>(1,148,818)</u>
Federal award expenditures	<u>\$ 9,893,045</u>

SECTION II

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
 AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
 AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
 WITH GOVERNMENT AUDITING STANDARDS**

**Board of Trustees
 Nationalities Service Center of Philadelphia, Inc.
 Philadelphia, Pennsylvania**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the Nationalities Service Center of Philadelphia, Inc. (the “Center”), which comprise the statement of financial position as of May 31, 2024, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 27, 2025.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Center’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

We did note certain other matters that we reported to management of the Center in a separate letter dated February 21, 2025.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center’s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our test disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Board of Trustees
Nationalities Service Center of Philadelphia, Inc.
Philadelphia, Pennsylvania**

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SECTION III

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Trustees
Nationalities Service Center of Philadelphia, Inc.
Philadelphia, Pennsylvania

Report On Compliance For Each Major Federal Program

Opinion On Each Major Federal Program

We have audited the compliance of Nationalities Service Center of Philadelphia, Inc. (*the "Center"*) with the types of compliance requirements described in the U.S. Office of Management and Budget's *OMB Compliance Supplement* that could have a direct and material effect on its major federal programs for the year ended May 31, 2024. The Center's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended May 31, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Center and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Center's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Center's federal programs.

**Board of Trustees
Nationalities Service Center of Philadelphia, Inc.
Philadelphia, Pennsylvania**

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Center's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Center's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Center's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Center's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

**Board of Trustees
Nationalities Service Center of Philadelphia, Inc.
Philadelphia, Pennsylvania**

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
