Dear Friends,

On behalf of the staff, volunteers and Board of Trustees of Nationalities Service Center (NSC), we are pleased to present NSC’s 2016 Annual Report.

In 2016, NSC celebrated its 95th year of welcoming the world to Philadelphia! In this milestone year, we provided comprehensive services to nearly 5,200 immigrants and refugees from 100 countries. As the conflicts in Syria and other areas of the world continued, we exceeded our resettlement expectations and assisted 576 refugees in securing homes, gaining employment, enrolling in school, and accessing medical care. NSC’s staff attorneys have continued to protect the rights of our clients, serving 1,164 individuals seeking humanitarian relief, family reunification, and naturalization. We continued our commitment to language access, and our interpreters and translators completed 5,349 jobs. Our Philadelphia Refugee Health Collaborative received national attention as a model for refugee health when it was featured in the April 2016 edition of the [Harvard Public Health Review](#).

In November 2016, NSC worked to realign the provision of legal services to accommodate a 300% increase in those seeking legal consultations. We also began offering adjustment of status clinics to increase the opportunities for eligible refugees to move toward U.S. citizenship. Organizationally, we began a comprehensive contingency planning process to prepare for likely changes in immigration policy at multiple levels of government.

All of this critical work could not be accomplished without the talented and dedicated staff, volunteers, interns and other skilled professionals. Each and every day, they commit themselves to working tirelessly to serve each client who walks through our doors. None of this would be possible without their expertise and compassion.

Finally, we are deeply grateful to you, our donors and partners, for your continued support. As we look ahead, we know that your dedication, thoughtfulness, and empathy are more important than ever, and we look forward to continue our partnership together as help make Philadelphia a more diverse and welcoming community.

Kind regards,

Mohamed Nabil Bakry, Esq.

OUR VALUES

NSC is a non-sectarian organization. As such, we serve all immigrants and refugees in need of our services without regard to immigration status, nationality, race, religious beliefs, class, age, gender or sexual orientation or political opinions. We endeavor to serve all clients with dignity and respect, guided solely by their presenting needs and a commitment to keep them free from harm or exploitation. NSC staff serve all clients to the best of our ability and hold no group in "special status" with regards to services provided. We do not accept donations to provide services only for one particular group as we strive to meet the needs of our clients indiscriminately.
