

Mental Health Interpreter Training

Saturday, February 5th, 9am-1pm EST via Zoom

This training will prepare professional interpreters for mental health therapy assignments and will cover the following topics:

- Ethics and confidentiality in person, by phone, by video
- Role of interpreter in therapy session and the therapeutic triad
- Clarification of interpreter protocol in therapy sessions
- Mental health terminology and concepts
- Critical incident protocols
- Therapy approaches (talk therapy, creative therapy, therapeutic tools)
- Self-awareness and professional boundaries
- Scenario practice and discussion
- Vicarious trauma and self-care

Nationalities Service Center

Here at Nationalities Service Center (NSC), we believe that immigrants and refugees are a critical part of the fabric of life in the United States, and it is our vision that all immigrants and refugees achieve a life of dignity, safety, stability, sustainable opportunities and meaningful connections to their communities. To this end, NSC provides comprehensive services to immigrants and refugees, including legal protections, community integration, access to health and wellness services, and opportunities to achieve English language proficiency. Our dedicated staff are committed to ensuring that each of our clients receives high-quality holistic care and work together to refer clients to internal and external services based on the individual's needs. NSC's Language Access and Proficiency Program provides expert interpretation and translation services in over 150 languages to deliver high-quality and affordable solutions for your business or organization's needs.
